

Consulting

For most corporations knowing the value of your owned real estate properties, as well as, the market rates of properties in which there are current lease obligations in place is less straightforward than in sounds. Accurate valuations and related advisory work requires in depth knowledge of local and global markets backed by sounds experience, best-in-class research and keen analytical skills.

DAUM Corporate Services offers a wide array of consulting services that include but are not limited to; Broker Opinion of Value reports, custom market analysis, asset positioning and repositioning, demographic and site analysis, financial analysis and cash flow modeling, lease abstracting, property expense and comparative analysis, as well as, a host of other critical consulting services for our clients.

DAUM Corporate Services offers personal, tailored service, developing close partnerships and acting as an extension of each client's team to support its business strategies.
